

Test Case ID: TC_2		Test Designed date: 02/5/2026		
Test Priority (Low, Medium, High): High		Test Executed by: Md. Abu Saieed		
Module Name: Manage Volunteers		Test Execution date: 02/05/2026		
Test Title: Verify that an Employee can view the volunteer list and assign tasks to volunteers.				
Description: Employees can successfully assign them to an available task.				
Precondition: User is logged in as an Employee. At least two volunteer accounts exist in the system with different skills. At least one task exists that has not yet been assigned.				
Dependencies: Volunteer accounts are active.				
Test Steps	Test Data	Expected Results	Actual Results	Status (Pass/Fail)
1. Navigate to 'Manage Volunteers' from the menu. 2. Verify the volunteer list displays: name, email, skills, and participation count for each volunteer. 3. Apply the skill filter. 5. Click 'Clear Filters' to remove the skill filter. 7. Apply the status filter (e.g., 'Active'). 8. From the volunteer's profile view, click 'Assign'. 9. Select an available task and confirm the assignment.	1. Employee-Login: admin_emp@test.com 2. Volunteer to View: William Hunt (William@volunteer.com) 3. Skill Filter Applied: Event Management 4. Status Filter Applied: Active 5. Task to Assign: 'Food Distribution' (Status: Open)	- Manage Volunteers page loads with all volunteers listed (name, email, skills, participation count). - Skill filter shows only volunteers with 'Event Management' skill. - Status filter shows only Active volunteers. - Volunteer is successfully assigned to 'Food Distribution' - Task status changes to 'Assigned' after confirmation.	As expected	Pass
